

# Happy

Charice

Ooh

Thought I was being clear  
Maybe you simply didn't wanna listen  
I said I was fine with it  
Said I was fine with you leaving me

You think I'll come running after you  
You think I'm foolish enough to give myself to you forever  
Oh no  
Baby, oh no  
Baby, oh oh no  
Baby, oh no

La la la la la la la  
Oh my heart is finally free  
La la la la la la la  
And you thought I wasn't happy  
La la la la la la la  
Oh I'm singing merrily  
La la la la la la la  
Oh I'm happy being free

You think you is pretty cool  
For telling all your friend you left me all alone  
With a smile  
You're wrong  
Baby, you're wrong  
Baby, oh you're wrong  
Baby, oh no you're wrong, yeah

Done with all the lies  
I didn't think that breaking you was the cure of mine  
Am I sorry?  
I'm not  
Baby, I'm not  
Baby, oh I'm not  
Baby, oh I'm not  
Yeah baby

La la la la la la la  
Oh my heart is finally free  
La la la la la la la  
And you thought I wasn't happy  
La la la la la la la  
Oh I'm singing merrily  
La la la la la la la  
Oh I'm happy being free

Happy being free  
Happy being free, baby  
Here we go  
Ooh

Oh I'm happy being free
