

Saboteur Tiger

Charlene Soraia

No more time
No more space
I didn't wanna be leaving here crying
I've made mistakes

No more time lover
No more days
I can't always read between the lines
These are my mistakes

Au revoir saboteur tigeur
Au revoir saboteur tigeur
Sado sabotage

No more time
No more space
I can't tell if you are lying
We've both lost faith

No more crying lover
No more wasting our time
Making mistakes

Au revoir saboteur tigeur
Au revoir saboteur tigeur
Sado sabotage

Save a tooth to sharpen as you chose
Who knew
Who knew
I didn't
Did you know that later today
There would be hell to pay for
Who knew
Who knew
Who knew
I didn't
Did you know that later today
There would be hell to pay for

Au revoir saboteur tigeur
Au revoir saboteur tigeur
Sado sabotage

Au revoir saboteur tigeur
Sado sabotage
Au revoir saboteur tigeur
Sado sabotage
