

Where's My Tribe

Charlene Soraia

Where's my tribe
I've lost all hope and I
Fear I won't survive
If I stay here tonight

Where's my tribe
I've lost all sense of unholy time
And what's my crime
I feel the guilt and I feel it arise
I feel the guilt and I feel it arise

Chasing my dragon
Chasing my rabbit
Down the hole

Chasing that dragon
Chasing that rabbit
Down the hole
Chasing that dragon
Chasing that rabbit
Down the hole

Chasing that dragon
Chasing that rabbit
Down the hole
Chasing that dragon
Chasing that rabbit
Down the hole
