

Your Home Is Where You're Happy

Charles Manson

Your home is where you're happy
It's not where you're not free
Your home is where you can be what you are
'Cause you were just born free

Now they'll show you their castles
An' diamonds for all to see
But they'll never show you that peace of mind
'Cause they don't know how to be free

So burn all your bridges
Leave your whole life behind
You can do what you want to do
'Cause your strong in your mind

And anywhere you might wander
You could make that your home
And as long as you got love in your heart
You'll never be alone

Just as long as you got love in your heart
You'll never be alone no no no
You'll never be alone no no no no
