Before The Next Teardrop Falls

Charley Pride

I'll be there before the next teardrop falls

If he brings you happiness then I wish you both the best

It's your happiness that matters most of all

But if he ever breaks your heart if the teardrops ever start

I'll be there before the next teardrop falls

Though it hurts to let you go darling I want you to know

And I'll stand by you if ever you should call

And if I should ever hear that he made you shed a tear

I'll be there before the next teardrop falls

I'll be there anytime you need me by your side

To dry away every teardrop that you cried

If he ever leaves you blue just remember I love you

And I'll be there before the next teardrop falls

And I'll be there before the next teardrop falls
