

Easy Part's Over

Charley Pride

The easy part's over now
It's time to cry
The easiest part of all
Was saying goodbye

The easy part's over now
And you are gone
Now comes the hardest part
Living alone

Time is the only friend
That I have left here with me
But can those healing hands of time
Erase your memory

The easy part's over now
We've come to the end
The easy part's over now
And the hard part begins

Time is the only friend
That I have left here with me
But can those healing hands of time
Erase your memory

The easy part's over now
We've come to the end
The easy part's over now
And the hard part begins
