It's Gonna Take A Little Bit Longer

Charley Pride

Baby it's gonna take a little bit longer for me to ever get you
 off of my mind
Baby it's gonna take a little bit longer cause I've been lovin'
 you a long long time

People try to tell me that it won't be long till I won't even m
iss you anymore
But I can tell them it must be something mighty wrong every day
  I want you even more
And baby it's gonna take...

They say this lonely feeling it'll go away but after all this t
ime now it ain't gone
Every weaken moment and every night and day just seems to keep
on keeping on
And baby it's gonna take...
Yes I've been lovin' you a long long time
