

# Night Games

Charley Pride

When that neon sun comes up  
In the evening  
And that warm red wine and the memories  
Start to flow

You'll find me there  
With all the others  
Just looking for love  
The only way we know

Oh, we're playing night games  
(Oh, we're playing night games)  
Love at first sight games  
(First sight games)  
The only way to fight pain  
Under the neon lights

Oh, we're playing night games  
(Oh, we're playing night games)  
Looking for the right things  
(Right things)  
Hoping that it might bring  
Two hearts together tonight

Now if you're sitting alone tonight  
And feeling lonely  
And you can hear that jukebox  
Calling you

And if you think it's time  
You found somebody  
(Somebody)  
Just come on down  
And do what we all do

Oh, we're playing night games  
(Oh, we're playing night games)  
Love at first sight games  
(First sight games)  
The only way to fight pain  
Under the neon lights

Oh, we're playing night games  
(Oh, we're playing night games)  
Looking for the right things  
(Right things)  
Hoping that it might bring  
Two hearts together tonight

Oh, we're playing night games  
(Oh, we're playing night games)  
Love at first sight games  
(First sight games)  
The only way to fight pain  
Under the neon lights

Oh, we're playing night games

(Oh, we're playing night games)  
Looking for the right things
