Sweet promises sweet promises that's all I've had from you

But a promise is as a promise does and yours never did come true

But a promise is as a promise does and yours never did come tru $\ensuremath{\mathrm{e}}$

You've promised me the moon and the stars when I would've settl ed for your kiss

Never wanted much just your lovin' touch and now you treat me w rong like this

Sweet promises sweet promises sweet moonbeams by the tons Who'd believe such lies bout a foolin' love oh why was I the fo olish one

You've promised me your heart and your love your love I believe d was so true

Let some other fool fall for all those cruel sweet promises fro $\ensuremath{\mathsf{m}}$ you

(Promises sweet promises promises sweet promises) Sweet promises...

Let some other fool fall for all those cruel sweet promises fro $\ensuremath{\text{m}}$ you
