

# The Day The World Stood Still

Charley Pride

The day the world stood still  
One day you came along  
And spoke so tenderly  
You kissed me oh, so sweet

And gave your love to me  
One moment in my life  
I glowed to every thrill  
Time was a precious thing

The day the world stood still  
For one day in my life  
You brought me happiness  
You stopped the lonely world

With all your tenderness  
I can't get over you  
I guess I never will  
Time was a precious thing

The day the world stood still  
The day the world stood still  
And you were only mine  
I held you close to me

And stopped the hand of time  
I can't get over you  
I guess I never will  
Time was a precious thing

The day the world stood still
