

# Touch My Heart

Charley Pride

Touch my heart feel the hurt the pain and misery  
Then tell me again what love can do for me  
If you lived in my world awhile you'd soon forget how to smile  
In my world there's a million ways to cry  
If you had my eyes you could see how woman changed my destiny  
I'm a man who can't live and yet can't die  
See these hands of mine and how they shake all because I can't  
break  
The habit of remembering yesterday  
Another love couldn't help this ache I know I'd make the same mistakes  
Her mem'ry's always standing in my way  
Touch my heart feel the hurt it's destroying me  
I've tried but can't seem to shake her memory  
Touch my heart feel the hurt the pain and misery  
Then tell me again what love can do for me
