Holding stack and jewels

V-i-t-a and my nigga J-a RULE baby

Lie to the feds to come get me? (Yeah Yeah)

And if I died Kill for me? (Yeah Yeah)

Are you trusting me? (Yeah Yeah)

Are you loving me? (Yeah Yeah Yeah)
Yeah let's get it grinning
Like we asked for the Simpsons or Ike and Anna Mehoe
On one their good days
You smile like sun rays 5'5 with brown eyes and thick legs
Only for the RULE baby

Now baby I told you I can show you better than I can tell you
Don't try to bring converse and mail
Just sweet words and naked photos
I'm still that pretty down down ass 2 cars behind you 6
And I diss any clown ass rocking my brown ass only a down ass
And it's all for you
I've grown a tad bit since we been at it like rabbits
To move a little bumper and it's
(AND IT'S ALL FOR RULE)
Shit Who gonna love you like that?
Thug with you wit a stack to the ceiling
And spilt in the dub with you
Cause I played my position with KO-D's, O G's
Until that blood shed blood red and we O-Ded
Remember every word that you told me
(SHOWED ME HOLD ME)
All you need in your life is Chuck, drugs, and dubs on 22's
Now tell me who the hunny for you
CHUCK
