## **Heart Of My Heart**

## The Charlie Daniels Band

I was blinded by bright lights, lost in the darkness And sin kept my life in a whirl Lust, greed and money and sensual pleasures Marked the boundaries of my narrow world

I was headed for Hell but as far as I fell Your spirit still followed me down Then when I hit the bottom and cried out for mercy You picked me up off the ground

Heart of my heart, rock of my soul You changed my life when You took control Thou will be done, God's only Son Faithful and true, faithful and true

Lord of all lords, King of all kings Sweet sacrifice of praises we bring Worthy is the Lamb, all that I am I give to You

Satan kept telling me that it was too late I'd committed the unpardonable sin But I knew he was lyin' when I felt conviction Tug on my heart strings again

I'm not proud of the past but I can't do a thing
To make up for the time that I've lost
Now my heart and my soul and what life I have left
I lay at the foot of Your Cross

Heart of my heart, rock of my soul You changed my life when You took control Your will be done, God's only Son Faithful and true, Thou faithful and true

Lord of all lords, King of all kings Sweet sacrifice of praises we bring Worthy is the Lamb, all that I am I give to You

I give to You Heart of my hear
