

# Without You

Charlie Wilson

It feels like a lifetime, a thousand days have passed by  
Since I held you close to me  
If I could see that smile from my friend  
I know that I could live again  
I need you here with me

Heaven knows what to say  
Even though for right now you're so far away  
I hope and I pray  
Somewhere in your heart I'll always stay

Girl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath in  
my life ending  
Had to say just what I was feeling, girl  
Cause my sun doesn't shine, sun doesn't shine without you

This is more for me than for you  
Girl, I finally see there's no substitute  
For what we have  
Do you know how much I love you

Heaven knows what to say  
Even though for right now you're so far away  
Gonna tell you and show you  
Do whatever I can do to get back to you

Girl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath in  
my life ending  
Had to say just what I was feeling, girl  
Cause my sun doesn't shine, sun doesn't shine  
without you
