

I Ain't Goin' Nowhere

Charlie Worsham

If I was a bird, I'd be headed south right about now
Flyin' over the Florida Keys
'Cause the ice cold words in this room
Could bring down snow in the middle of June
But I'd ride out to freeze

I ain't goin' nowhere
I ain't goin' nowhere
Well gimme your best, gimme your worst
Don't hold back, even if it hurts
I ain't goin' nowhere

Don't matter who let you down before
Walked right out of your door
I ain't goin' nowhere

I promised you I'd stick around
The way that dirt sticks to the ground
I ain't goin' nowhere

Yeah, I ain't goin' nowhere
I ain't goin' nowhere
Gimme your best, gimme your worst
Don't hold back, even if it hurts
I ain't goin' nowhere

I ain't goin' nowhere
Gimme your best, gimme your worst
Don't hold back, even if it hurts
I ain't goin' nowhere

Rich or poor, thick or thin
I'll be sweet on you 'til the bitter end

I ain't goin' nowhere (ah ah, ah ah)
Other lovers wanna run away but
I ain't goin' nowhere (ah ah, ah ah)
There's a fear when the skies turn grey but
I ain't goin' nowhere (ah ah, ah ah)
I ain't goin' nowhere (ah ah, ah ah)
