

Love Alone

Charlotte Church

Sometimes I need to feel
I'm not the sole occupant of this body
Invade me

And occupy my mind
It's folds are full and it's hills are high
And it runs deep

Don't want to be alone
Don't want to be alone
But you can't get there by love alone

No

Beyond the power of man
There are things I know that I know you think are pure crazy
Invade me

Drill into my skull
Hook me up and get every viewpoint in HD

Don't want to be alone
We'll never feel alone
When we know each other to the bone

But you can't get there by love alone

Beyond the power of man
There are things I know that I know you think are pure crazy
Invade me
Invade me
