

# Anchor Tattoo

Chase Atlantic

You were wrong for trusting me  
I've always been a sucker for the way you move  
We're alone, just you and me  
And you're always second guessing what I've been to you  
Don't let this slide for anyone  
I don't really wanna be there when you go  
And we won't tell them what we've done, no

Cause when I'm with her I am  
Thinking of you, thinking of you  
Your lips and your style  
And your anchor tattoo, anchor tattoo  
If your boyfriend finds out  
He'll kill me too  
So now it's just me and you

The reminders that you left on my neck  
(Keep me closer to you)  
And your heart beats with every breath  
(You know that I'll be back soon)  
You look so cold, standing on your own  
Can I sleep here, cause we're all alone?  
I've never seen you look so good, now

Cause when I'm with her I am  
Thinking of you, thinking of you  
Your lips and your style  
And your anchor tattoo, anchor tattoo  
If your boyfriend finds out  
He'll kill me too  
So now it's just me and you

Thinking of you, thinking of you  
Anchor tattoo, anchor tattoo  
Thinking of you, thinking of you  
Anchor tattoo, anchor tattoo

Cause when I'm with her I am  
Thinking of you, thinking of you  
Your lips and your style  
And your anchor tattoo, anchor tattoo  
If your boyfriend finds out  
He'll kill me too  
So now it's just me and you

Thinking of you, thinking of you  
Anchor tattoo, anchor tattoo  
Thinking of you, thinking of you  
Anchor tattoo, anchor tattoo
