

The Little Things

Chase Rice

It's the roses just because, yet just because it's Tuesday
And it's lettin' 'er drive my truck after what she did to the tailgate
And it's holding back her hair after one too many drinks

Yea, it's the little things
Oh, it's the little things

No, she doesn't need a 4 karat diamond ring or a big house to come home to
No, she doesn't need a Hollywood movie scene or a sunset every day in Malibu
No, all she needs are the little things

And it's watching that damn bachelor every Monday night
And loving her like I don't have her and shuttin' up even when I'm right
And it's playing her this new song I just wrote on this ol' six string

Yea, it's the little things
Oh, it's the little things

No, she doesn't need a 4 karat diamond ring or a big house to come home to
No, she doesn't need a Hollywood movie scene or a sunset every day in Malibu
No, all she needs are the little things
