We goin' out

"Yo Chase, what's up man? What you doing?" "C'mon man, what the hell you think I'm doing? Heh, I'm going out" We got the crew in the crew cab Rockin' that rebel flag All hats back like a redneck rat pack Boys looking cool Blowing smoke from the Mary Jane Girls hair down, frayed outs Brought that 'A' game Kick back and watch how we do Like 'Project X' We're next on your YouTube Yeah We goin' out We goin' out We got our eyes blurred right And the weird up loud We goin' out Yeah, we ignite the night in this sun burnt town Locked and loaded Rocked and rolling Driving our shit just like we stole it All night Good time Damn right We goin' out It's going down like a whiskey waterfall So raise your cup, up, up For a rockstar roll call The Yeti's low quick Damn right, we're killing it Cole's rolling in Looks like we'll be chill in' it We goin' out We goin' out We got our eyes blurred right And the weird up loud We goin' out Yeah, we ignite the night in this sun burnt town Locked and loaded Rocked and rolling Driving our shit just like we stole it All night Good time Damn right We goin' out Now they say lightning don't strike twice But we here tonight, ain't we?

We goin' out
We got our eyes blurred right
And the weird up loud
We goin' out
Yeah, we ignite the night in this sun burnt town
Locked and loaded
Rocked and rolling
Driving our shit just like we stole it
All night
Good time
Damn right
We goin' out
We going out, out, out, out, we going out
We going out, out, out, out, we going out
We going out, out, out, out, we going out

What do you say dude? You down? Hell yeah, count me in for that man
