

Rav-4

Chastity Belt

Fooled them all
Then hit a wall
Lay in Kate's bed
It's true what she said
That giving up
Can take some guts

Driving in her Rav-4
Going to the bar
Lost my mind and much more
But who's keeping score?

My guard is down
Each night drags on
The lie I told
Myself got old

Driving in her Rav-4
Going to the bar
Lost my mind and much more
But who's keeping score?
