

Listen to Me

Cheap Trick

Right!

Right!

Something's got to give
Gonna keep on rockin'
Why should she?
Early to bed, early to rise
Look at my leg, look at the size
Look at the size

Similar situation
Satisfied point of view
From where I'm standing all this attention
All of this points to you

You, you, you don't listen to me
Now, now I'm ready for you
Hope you're ready, ready as me
You should listen to me
Hope you're ready for me
I know I'm ready for you
No, no you don't listen to me
I know you won't listen to me

Early to bed, early to rise
Look at my hands, look at the size
Look at the size

Similar situation
Satisfied point of view
From where I'm standing all this attention
All of this points to you

You, you, you don't listen to me
Now, now I'm ready for you
Hope you're ready, ready as me

Hope you're ready for me
I know I'm ready for you

Want big damage 'tween me and you
You want to stick a car that's stuck out you
So eye to eye, we'll see it through
