

Revenant

Chelsea Grin

I'm inside your head

I am the reason you cannot sleep
I am the voices in the back of your head

I know the secrets that you've never said
I'm always with you and I will not die

You see the world as your own and you don't give a damn
about anything other than yourself
You won't stop until you have your greedy hands on all
that ever brought anyone happiness

This is how you accepted my presence and now you will
never get rid of me
Scream as loud as you can
It doesn't make a difference
You will never be without me

I am inside of your head
I won't leave until you're dead

I am inside of your head
I am the reason you bled

I am inside of your head
I won't leave until you're dead

I am inside of your head
I am the reason you bled

It's too late to turn back now the world is not your
own

Another minute put to rest

I have your soul
You will perish X7
