

Deranged for Rock & Roll

Chelsea Wolfe

I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll

Starlit
Big mood
Don't get me started
This ain't the life I chose
It was waiting there
For me to call
Now I'm on this train
I hear it rollin' on

I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
Drink my dreams and sell my soul
I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
Drink my dreams and sell my soul
I'm deranged for rock 'n' roll

All these years
Have made me strong
Three baptisms
For this soiled dove
Out of my head
The final high
I am yours
And you are mine

I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
Drink my dreams and sell my soul
I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
Drink my dreams and sell my soul
I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
I'm deranged for rock 'n' roll
