```
I know I'm not alone
I should not be afraid
Cause I hear your voice
And I know you're there beside me
And so I give my heart
I live to love again
But I can't let go
Of the way I feel about you
Love is a lonely place without you
I miss you
And you're almost here
And I'm almost touching you
Love is a place I have to hide away
I'll never love this way again (again)
If love was ever true
I know it was with you
Cause you touch my soul and
You stay with me forever
No tears, no said goodbyes
There are no reasons why
But I'm holding on
I believe in love eternal
Love is a lonely place without you
I miss you
And you're almost here
And I'm almost touching you
Love is a place I have to hide away
I'll never love this way again (again)
Though I'm moving on
I'm still holding on - holding on - holding on
Love is a lonely place without you
I miss you
And you're almost here
And I'm almost touching you
Love is a place I have to hide away
I'll never love this way again (again)
Love is a lonely place - a lonely place
Love is a lonely place - a lonely place
```

Love is a lonely place - a lonely place Love is a lonely place - a lonely place
