

Always on My Mind

Chester See

His eyes were the deepest of blue
Like a stack of film gels I could still see through
And when we spoke
It's like we'd spoken before
There's just something about him that made me feel so warm

But I knew from the start
We wouldn't meet again
He's not made for me
I'm not made for him
But a moment doesn't have to find its end
It's forever in an instant
A frozen piece of time
And it's always on my mind
Always on my mind
It's always on my mind
Always on my mind

The bye was so hard to say
Just knowing that we'd go our separate ways
So there I stood
And watched him leave
And just like that, he'd disappeared from me

But I knew from the start
We wouldn't meet again
He's not made for me
I'm not made for him
But a moment doesn't have to find its end
It's forever in an instant
A frozen piece of time
And it's always on my mind
Always on my mind
It's always on my mind
Always on my mind

Time, she stood so still
But my heart was racing
But somehow I found a way
To keep me from saying
All of the things I say now

It's forever in an instant
A frozen piece of time
And it's always on my mind
Always on my mind
Always on my mind
He's always on my mind
