

Always Something There to Remind Me

Chester See

I walk along the city streets you used to walk along with me
And every step I take reminds me of just how we used to be
Well, how can I forget you, girl?
When there is always something there to remind me
Always something there to remind me

As shadows fall, I pass a small cafe where we would dance at night
And I can't help recalling how it felt to kiss and hold you tight
Well, how can I forget you, girl?
When there is always something there to remind me
Always something there to remind me
I was born to love her, and I will never be free
You'll always be a part of me

If you should find you miss the sweet and tender love we used to share
Just go back to the places where we used to go and I'll be there
Well, how can I forget you, girl?
When there is always something there to remind me
Always something there to remind me
I was born to love her, and I will never be free
You'll always be a part of me
