

Climbing Out of Love

Chester See

Somewhere somehow I saw you
In a different light than I used to
In that kind of way that you can't ignore
You know, I know it's foolish
Searching for love when your heart is
Already loved and spoken for

So I'm climbing out of love with you
Cause for us to work we'd break some rules
And I don't know, if you'll let go and fall with me
Yeah, I'll bite my tongue and hold my breath
Find my way out of this mess
Cause I don't know, if you'll let go and fall with me

So I'm climbing out of love
Yeah, I'm climbing out of love

You make me, go crazy, I'm helpless
And I know that I should just confess
But I'm scared that I'll lose what I recently found
When you smile I smile cause you're perfect
If quite keeps you it's worth it
Oh, I'll keep to my self to keep you around

So I'm climbing out of love with you
Cause for us to work we'd break some rules
And I don't know, if you'll let go and fall with me
I'll bite my tongue and hold my breath
Find my way out of this mess
Cause I don't know, if you'll let go and fall with me

So I'm climbing out of love
Yeah, I'm climbing out of love

If you know that this song is for you
And you're already feeling it too
Don't let me get too far
I'd rather we take this fall
But I've gotta start

I'm climbing out of love with you
Cause for us to work we'd break some rules
And I don't know, if you'll let go and fall with me

Yeah, I'll bite my tongue and hold my breath
Find my way out of this mess
Cause I don't know, if you'll let go and fall with me

Oh, So I'm climbing out of love
Yeah, I'm climbing out of love
Yeah, I'm climbing out of love
Oh, I'm climbing out of love

Ohh
Climbing out of love
With you
