

Close Your Eyes With Me

Chester See

Close your eyes with me
There are no words to speak
I know your tired mind is worn down
So let's not waste our lips
On words we think we've missed
Only thing for sure
Is you're here now

So close your eyes with me
And we'll just fall asleep
And let the morning light be for tomorrow
Cause when I'm holding you tight
Know that everything's fine
And we won't waste anytime on tomorrow

Let's fall in love
If only for tonight
Let's fall in love
Let's fall in love
If only for tonight
Let's fall in love

So close your eyes with me
You're all that I need
And tomorrow can be for tomorrow
Cause we'll get taken away
But in my arms you stayed
And the world can just wait for tomorrow

Let's fall in love
If only for tonight
Let's fall in love
Let's fall in love
If only for tonight
Let's fall in love
Let's fall in love
Let's fall
Fall

Close your eyes with me
We'll fall asleep
And tomorrow can be for tomorrow
