

I'm just a bachelor
I'm looking for a partner, mmh
Someone who knows how to ride
Without even falling off
You gotta be compatible
And take me to my limits
Girl, when I break you off
I promise that you won't wanna get off

If you're horny, let's do it
Ride it, my pony
Oh, my saddle's a-waiting
Come and jump on it
If you're horny, let's do it
Ride it, my pony
Oh, my saddle's waiting
Come and jump on it

Sitting here flossing
Peeping your steelo, yeah
Just once if I had the chance
The things I would do to you
Uh, you and your body
Every single portion, yeahs
Send chills up and down your spine
Juices flowing down your thigh

If you're horny let's do it
Ride it, my pony
My saddle's waiting
Come and jump on it
If you're horny, let's do it
Ride it, my pony
Oh, my saddle's waiting
Come and jump on it

If we're gonna be nasty baby
First, we'll show and tell
Till I reach your ponytail, yeah
Lurk all over and through you baby
Until we reach the stream
You'll be on my jockey team
Oh-oh-oh-oh-oh

If you're horny let's do it
Ride it, my pony
My saddle's waiting
Come and jump on it
If you're horny, let's do it
Ride it, my pony
Oh, my saddle's waiting
Come and jump on it
