

# Almost Blue

Chet Baker

Almost blue  
Almost doing things we used to do  
Theres a girl here and she's almost you  
Almost all the things that you promised with your eyes  
I see in hers too  
Now your eyes are red from crying

Almost blue  
Flirting with this disaster became me  
It named me as the fool who only aimed to be

Almost blue  
Almost touching it will always do  
Theres a part of me thats always true... always  
All the things that you promised with your eyes  
I see in hers too  
Now your eyes are red from crying

Almost blue  
Almost you  
Almost blue
