

## Autumn Leaves

Chet Baker

The falling leaves drift by my window  
The falling leaves of red and gold  
I see your lips the summer kisses  
The sunburned hands I used to hold

Since you went away the days grow long  
And soon I'll hear old winter's song  
But I'll miss you most of all my darling  
When autumn leaves start to fall

Since you went away the days grow long  
And soon I'll hear old winter's song  
But I'll miss you most of all my darling  
When autumn leaves start to fall

I'll miss you most of all my darling  
When autumn leaves start to fall
