## **Autumn Leaves**

**Chet Baker** 

The falling leaves drift by my window The falling leaves of red and gold I see your lips the summer kisses The sunburned hands I used to hold

Since you went away the days grow long
And soon I'll hear old winter's song
But I'll miss you most of all my darling
When autumn leaves start to fall

Since you went away the days grow long And soon I'll hear old winter's song But I'll miss you most of all my darling When autumn leaves start to fall

I'll miss you most of all my darling When autumn leaves start to fall
