

I've Never Been in Love Before

Chet Baker

I've never been in love before
now all at once it's you
it's you forever more

I've never been in love before
I thought my heart was safe
I thought I knew the score

But this is wine
It's all too strange and strong
I'm full of foolish song
And out my song must pour

So please forgive this helpless haze I'm in
I've really never been
in love before

[horn solo]

But this is wine
It's all too strange and strong
I'm full of foolish song
And out my song must pour

So please forgive this helpless haze I'm in
I've really never been
in love before
