I've Never Been in Love Before

Chet Baker

I've never been in love before now all at once it's you it's you forever more

I've never been in love before I thought my heart was safe I thought I knew the score

But this is wine
It's all too strange and strong
I'm full of foolish song
And out my song must pour

[horn solo]

But this is wine
It's all too strange and strong
I'm full of foolish song
And out my song must pour
