

## When I Fall In Love

Chet Baker

When I fall in love it will be forever  
Or I'll never fall in love

In a restless world like this is  
Love is ended before its begun  
And too many moonlight kisses  
Seem to cool in the warmth of the sun

When I give my heart it will be completely  
Or I'll never give my heart

And the moment I can feel that you feel that way too  
That's when I fall in love with you

And the moment I can feel that you feel that way too  
That's when I fall in love with you
