When I Fall In Love

Chet Baker

When I fall in love it will be forever Or I'll never fall in love

In a restless world like this is Love is ended before its begun And too many moonlight kisses Seem to cool in the warmth of the sun

When I give my heart it will be completely Or I'll never give my heart

And the moment I can feel that you feel that way too That's when I fall in love with you

And the moment I can feel that you feel that way too That's when I fall in love with you
