I swear my diamonds are so blinding please don't look at my wri st

I?i bet I could take your bitch

That boy jewelry looking bleary like who sold him that shit
They say I ain't getting money well who told them that shit
Ok your bitch she like my diamonds and the cars that I ride
Or she might just like my style or it's the squad that behind m
e

I don't know but she gone go cause my pockets on swole I just walk up in the mall then I buy the whole store

I know my diamonds looking blinding please don't look at my wri st

My young niggas shoot your face if you think about taking my sh it

10k for my ears 20k for my wrist

You ain't fucking me for free bitch 20k for my dick Catch you slipping Scottie pippin one phone call and you hit I just get these bitches numbers I don't call I forget And I'm riding in them foreigns ima ride off St.Lawrence I'mma ride on brick squad catch a nigga I'm scoring

I swear my diamonds are so blinding please don't look at my wri st

I?i bet I could take your bitch

That boy jewelry looking bleary like who sold him that shit
They say I ain't getting money well who told them that shit
Ok your bitch she like my diamonds and the cars that I ride
Or she might just like my style or it's the squad that behind m
e

I don't know but she gone go cause my pockets on swole I just walk up in the mall then I buy the whole store

Them people calling, right back to balling
You got a bad batch to much baking on it
Right back on the stove, right back to them shows
Right back to my bitches, your advance is my clothes
I'm whipping it, I triple it
Shorty pop a molly then she wiggle it
Putting orders, You telling stories
Casino life hard rock nigga put in all this

I swear my diamonds are so blinding please don't look at my wri st

I?i bet I could take your bitch

That boy jewelry looking bleary like who sold him that shit They say I ain't getting money well who told them that shit Ok your bitch she like my diamonds and the cars that I ride Or she might just like my style or it's the squad that behind m $_{\rm e}$

I don't know but she gone go cause my pockets on swole

I just walk up in the mall then I buy the whole store
