

Drink

Chikinki

All I see is
I'm much good for me
So much riches
I'm much rich for me

Why can't they see?
There's no use thinking
And all it leads to
Is just more drinking
Oh oh oh

I think I'm thinking
Not much left to do
All those moments
They're still all on you

Why can't they see?
There's no use thinking
And all it leads to
Is just more drinking
Oh oh oh
