

## II. Worldstar

Childish Gambino

Blow up  
World Star before rap, you already know that  
So Fresh Prince, they are about to bring the show back  
Listening to Kilo, weekend cost a kilo  
Hair so long, I'm about to bring the fro back  
Phone call gotta say Moshi Moshi  
Girlfriend actin' all wishy washy  
It's your birthday, make it earthquake  
Fell in love with a nigga like a mermaid  
(Daddy, I love him!)  
That's a first date  
Nobody think about it worst case  
Best case, we the front page  
10K on the first day  
Yeah, motherfucker, take your phone out  
To record this  
Ain't nobody can ignore this  
I'm more or less, a moral-less individual  
Making movies with criminals  
Tryin' to get them residuals  
When it all go crazy  
When I hear that action, I'm a be Scorcese  
(My nigga hold it horizontal man, Be professional)

(Worldstar!)

My girl ain't bad, she more like evil  
When I'm lookin' in the mirror, how fly's this negro?  
She on Hollywood and Vine  
Thinkin' that she Hollywood on Vine  
Makin' movies with her friends all the time  
Showin' off her ass, that's a net twerk  
But I saw through it like a wet shirt  
Drive slow cause you might swerve off it  
Still eat and the hate so salty  
Put shrooms in my roommate's coffee  
And got more likes than a white girl talking  
More hits than a fight comp  
Where they fight cops 'til they stop  
When I heard shots  
Watchin' dude drop from a Glock at a -  
\*Shots fired\*  
Let me flash on 'em  
We all big brother now  
Lil' sis, let her run around  
Money talkin', you know the sound  
Brrrrr, money counting  
Brrrrr, AK  
Brrrrr, cell phone  
Brrrrr, hello?

Yo, bro man, check out that video I just sent you, man. This shit's hilariou  
s, man. It's like this kid, man, he got like, he got like hit on the side of  
the head, man, he's like freakin' out. Like, it's like... (inaudible)
