

# Dancing With Myself

China Anne McClain

So, you didn't show up, but my heart didn't blow up  
I ain't gonna lose it all tonight!

No, I'm not gon' fight it, totally excited,  
Just to be here underneath the lights!

See my heart is goin' bum bum de de de de pum pum  
Like a city never sleeps!

And my head is going bum bum de de de de pum pum  
Turn it up and blast the- blast the beat!

Dancing by myself, I don't need no help!  
Wishin' you were here, to see me.

Dancing by myself, got nobody else,  
But I don't really care, believe me  
Just keep!

D-d-d-d-dancin'  
D-d-d-d-dancin'  
D-d-d-d-dancin'  
By myself!

D-d-d-d-dancin'  
D-d-d-d-dancin'  
D-d-d-d-dancin'  
By myse-e-elf!
