

Perfect Mistake

China Anne McClain

Surprisingly enough
I've tried to picture your face in my head once or twice before
But it's not enough
I've got one way too many regrets i can't let you be one

Is this love?
Though we can't be 'cause from what i've heard
It's too good to be true
Maybe we could create something that's pure and brand new
If that's alright with you

Oh now baby we may not get it right the first time
But i'm willing to try
It don't matter what other people say i'm not afraid
Let's make the perfect mistake

La da da da da da da da da
Let's make the perfect mistake
La da da da da da da da da

Don't be unsure
Let's be free i've got you you've got me hand in hand we soar
Don't wanna wait anymore just us two boy
Let's make everything we'll ever need and more

I'll take your hand and we'll reach for the stars in the sky
Without a care at all
We might not have a plan but together we'll find it i'll promise
Not to let you fall

I can tell you no we won't get it right the first time
I'm still willing to try
It don't matter what other people say don't be afraid
And make the perfect mistake

La da da da da da da da da
Let's make the perfect mistake
La da da da da da da da da
Yeah

I wanna go to places unknown
This chance with you is one i wanna take
I wanna create something great
A perfectly imperfect

Oh now baby we may not get it right the first time
But i'm willing to try
It don't matter what other people say i'm not afraid
Let's make the perfect mistake

La da da da da da da da da
Let's make the perfect mistake
La da da da da da da da da
Let's make the perfect mistake oh

La da da da da da da da da
Let's make the perfect mistake oh

La da da da da da da da da
Um

Oh now baby we may not get it right the first time
But i'm willing to try ooh ooh
