

Stacked Like That

Chixdiggitt!

My big brother said if I weren't so skinny
I'd be off the couch and my phone would start ringing
Hey when you're
Stacked like that
Stacked like that
Stacked like that
Stacked like that
You know you can't go wrong
My soccer coach said if I wasn't so limited
I'd be on the pros and all the girls would be into me
Hey when you're
Stacked like that
Stacked like that
Stacked like that
Stacked like that
You know you can't go wrong
When you're stacked like that
You know you can't go wrong
