

My Heart Move On

Chris Cagle

I took all my pictures of you and I,
Threw them all away
I drank down that bottle of wine said that we,
Swore we would save
For some special occasion,
Some big moment somewhere down the line
Tonight I'm celebrating,
The first day of the rest of my life

Like a storm,
Like a train,
Like the seasons when they change.
Like the dark of night does every day at dawn
Like the air,
That I breathe after it rose out of me
It goes off to find another home
My heart move on

I put a for sale sign on my car and I,
Parked it outside
'Cause that backseat reminds me of our,
Very first time
I don't need any memories,
Hanging around this old place
Sturring up that stuff in me,
That will only get in my way

Like the years,
Like the past,
Once its gone it don't come back
Just like you when I woke up and you were gone
Like the air,
That I breathe after it rose out of me
It goes off to find another home
My heart move on
