

# Take Me To The Rodeo

Chris LeDoux

Well my car broke down it's in the ditch wish I was the son of  
someone rich  
I'd throw hundred dollar bills out on the road and I'd catch me  
a ride to the rodeo  
There's a mule deer layin' by the road ahead he ain't sleepin'  
he's damn sure dead  
Venison fryin' in the blazin' sun hey I need a ride come on som  
eone  
Yeah my car broke down I ain't got no money stuck out on the ro  
ad  
Hey I need a ride now won't somebody take me to the rodeo

There's a buzzard circlin' up in the sky he's lookin' at me wit  
h them beady eyes  
Well i don't know but I've got a hunch he'd rather have me than  
that deer for lunch  
Right now I wish I'd stayed in school but I had to be a rodeo c  
owboy fool  
And I'll bet my daddy'd sure be proud if he could take a look a  
t his son right now  
Yeah my car broke down...

Here comes a blonde in a Cadillac she got the top rolled down a  
nd her hair tied back  
But she don't look she don't even slow down she just keeps them  
wheels rollin' around  
Yeah my car broke down...

I need a ride come on
