

# As Good As It Gets

Chris Norman

We walk into a room  
I feel everybody looking at us  
Oh I don't know what they assume  
But I know they feel a little jealous

And every time I look into your eyes  
I feel like you're touching me  
And filling me with your life  
And oh, oh, oh  
I can't let go  
No, no, no, no, no

These are the things I treasure  
The moments we share with no regrets  
When nothing can come between us  
Our love is as good as it gets yeah

So here we are alone at last  
I can feel your body warm and tender  
Don't move don't make it go too fast  
Oh God I hope it's something we remember

And this is all I ever need to make me strong  
All I need to make me feel  
And keep me hanging on  
And oh, oh, oh  
I can't let go  
No, no, no, no, no

These are the things I treasure  
The moments we share with no regrets  
When nothing can come between us  
Our love is as good as it gets yeah  
I'll be your strength and pleasure  
I'll give you my heart and nothing less  
And no-one will come between us  
Our love is as good as it gets yeah

And in the end if it's only you and me  
In this crazy, crazy, crazy world  
Oh you can run to me, run to me  
Anytime you want me baby,  
Anytime you need me baby,  
Anytime you want me I'll be here  
'Cos I love you forever and ever and ever

These are the things I treasure  
The moments we share with no regrets  
When nothing can come between us  
Our love is as good as it gets yeah  
I'll be your strength and pleasure  
I'll give you my heart and nothing less ...
