

# Babe It's Up To You

Chris Norman

Too many times I count the cost  
Of the games that I played  
And the love that I lost forever

So many ways a heart can lose  
If you ain't got the love  
That you can use together

You can love me tonight  
While the feeling is right  
Let me spend just one night with you  
I could hold you so tight

If you say it's alright  
And we'll love 'til the lights shine trough  
Babe, it's up to you  
Babe, it's up to you

You can love me tonight  
While the feeling is right  
Let me spend just one night with you  
I could hold you so tight  
If you say it's alright  
And we'll love 'til the lights shine trough

So many times we tried to hide  
All the broken hearts  
And the tears we cried together

We had it all but love was lost  
When you walked away  
And I count the cost forever

With the tears in my eyes  
And my heart how it cries  
Let me spend just one night with you  
Now I'm down on my knees  
And I'm begging you please  
Let me spend just one night with you

Babe, it's up to you  
Babe, it's up to you
