

Crazy For You

Chris Norman

Crazy for your body
Crazy for your touch
Crazy for your kisses
Ooh I just can't get enough

I got to admit that it's true
But baby just what can I do
I'm crazy for you

Girl I want your booty
What you waiting for
Oh I wanna watch your tushy
As you walk across the floor

I can't stop from thinking of you
But what in the world can I do
I'm crazy for, I'm crazy for
I'm crazy for you

Shake it for me honey
Baby you was blessed
Ooh you got my motor running
Let me put it to the test

Well baby you know that it's true
There's nothing at all I can do
I'm crazy for, I'm crazy for you

I'm crazy for you, crazy for you
