

Jealous Heart

Chris Norman

Blame it on my jealous heart
When you're not near to me
Well, I just fall apart
I can't control my suspicious mind
'Cause when it comes to you
You know that love is blind every time

So if you think I'm cruel to take it out on you
Oh darling, blame it on my jealous heart...

Sometimes I'm crazy when I think of you
In your wild and reckless days
I don't want anyone to know you
The way I do today

I'm not responsible I'm uncontrollable
But I don't mean the things I say, so

Blame it on my jealous heart
When you're not near to me
Well, I just fall apart
I can't control my suspicious mind
'Cause when it comes to you
You know that love is blind every time

So if you think I'm cruel to take it out on you
Oh darling blame it on my jealous heart

And if I see you talking to another man
It cuts me like a knife
You know my heart's so unpredictable
Since you came into my life
It's so irrational it's unbelievable
That I can feel the way I do but...
Believe me baby...

Blame it on my jealous heart
When you're not near to me I just fall apart
I can't control my suspicious mind
'Cause when it comes to you
You know that love is blind every time

So if you think I'm cruel to take it out on you
Oh baby, blame it on my jealous heart
So if you think I'm cruel to take it out on you
Oh baby, blame it on my jealous heart

Oh, just blame it on my jealous heart
Blame it on my jealous heart
Blame it on my jealous heart...
