

# Lost in Flight

Chris Norman

Like a bird that's lost in flight  
There's a corner of my mind  
Says I'm losing everything  
That it took so long to find  
In my ordinary world  
From the moment I arise  
Well the dream goes on  
and on like a love that never dies

Always running everywhere  
I don't know if I know who I am  
Satisfaction incomplete  
It's not enough I'm doing what I can

Come here, go there, try another one  
Oh I don't give a shit  
Unsung hero tell me what you've done  
It confuses me a bit

Like a bird that's lost in flight  
There's a corner of my mind  
Says I'm losing everything  
That it took so long to find  
In my ordinary world  
From the moment I arise  
Well the dream goes on  
and on like a love that never dies

Early one morning  
I awoke from a dream  
Well I dreamed of my Father  
I don't know what that means

I had to ask his name  
I had to ask, I had to know  
I had to ask, oh can you show  
I need to know the way,  
can you show me the way

Like a bird that's lost in flight  
There's a corner of my mind  
Says I'm losing everything  
That it took so long to find  
In my ordinary world  
From the moment I arise  
Well the dream goes on  
and on like a love that never dies  
Love that never dies ....
