

Love for Sale

Chris Norman

With your cat's eyes
And you scorpion tale
You advertise, your love for sale
With your angel smile
And your feminine ways
I fantasize, love for sale

A rich young lady
Are you in a dream
Do you know I want you
Makes me want to scream
Oh, rich lady
Oh, you take me high
Oh, I can't have you
I wanna die

With your cats eyes
And you scorpion tale
You advertise, your love for sale
With your angel smile
And your feminine ways
I fantasize, love for sale

Looking at the people
Givin' you the eye
Do they only see you
They're just passing by
Who are you gonna run to
Come another day
And everybody leaves you
You're on display

With your cats eyes
And you scorpion tale
You advertise, your love for sale
With your angel smile
And your feminine ways
I fantasize, love for sale

Love for sale
Love for sale
